Theme:

Back by popular demand, the Dufferin County Museum & Archives (DCMA) is pleased to announce a juried photography exhibition, entitled: My Canada.

In celebration of the 150th Anniversary of Confederation, *My Canada* is a juried photography show focusing on aspects of Canadian life. Selected works from across the country will come together to create a visually stunning representation of our nation and its people. Photographers are invited to submit photograph(s) (maximum two) along with a short description to explain how the photo speaks to

the theme of “my Canada.” The photo may be of a landscape, person, object, animal, etc. We would like entrants to show what Canada means to them personally.

In addition to a strong photograph, the DCMA encourages participants to focus on creating a thoughtful description. The story behind the photograph is extremely important.

Student Award - \$50.00

(Announced on Sunday, April 16th)
